PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

May 5, 2015

INTRODUCTION; PROXY VOTING INFORMATION

Unless we have indicated otherwise, or the context otherwise requires, references in this proxy statement to “GAMCO Investors, Inc.,” “GAMCO,” “the Company,” “GBL,” “we,” “us” and “our” or similar terms are to GAMCO Investors, Inc., a Delaware corporation, its predecessors and its subsidiaries.

We are sending you this proxy statement and the accompanying proxy card in connection with the solicitation of proxies by the Board of Directors of GAMCO (the “Board”) for use at our 2015 Annual Meeting of Shareholders (the “2015 Annual Meeting”) to be held at One Corporate Center, Rye, NY 10580, on Tuesday, May 5, 2015, at 8:30 a.m., local time, and at any adjournments or postponements thereof. The purpose of the 2015 Annual Meeting is to elect directors, ratify the appointment of the Company’s independent registered public accounting firm, re-approve the Amended and Restated Employment Agreement with Mario J. Gabelli, and act upon any other matters properly brought to the 2015 Annual Meeting. We are sending you this proxy statement, the proxy card, and our annual report on Form 10-K containing our financial statements and other financial information for the year ended December 31, 2014 (the “2014 Annual Report”) on or about April 24, 2015. The 2014 Annual Report, however, is not part of the proxy solicitation materials.

Shareholders of record at the close of business on March 25, 2015, the record date for the 2015 Annual Meeting, are entitled to notice of and to vote at the 2015 Annual Meeting. On this record date, we had outstanding 6,593,319 shares of Class A Common Stock, par value \$.001 per share (“Class A Stock”), and 19,219,260 shares of Class B Common Stock, par value \$.001 per share (“Class B Stock”).

The presence, in person or by proxy, of a majority of the aggregate voting power of the shares of Class A Stock and Class B Stock outstanding on March 25, 2015 shall constitute a quorum for the transaction of business at the 2015 Annual Meeting. The Class A Stock and Class B Stock vote together as a single class on all matters. Each share of Class A Stock is entitled to one vote per share, and each share of Class B Stock is entitled to ten votes per share. Directors who receive a plurality of the votes cast at the 2015 Annual Meeting by the holders of Class A Stock and Class B Stock outstanding on March 25, 2015, voting together as a single class, will be elected to serve until the 2016 annual meeting of shareholders (“2016 Annual Meeting”) or until their successors are duly elected and qualified. Any other matters will be determined by a majority of the votes cast at the 2015 Annual Meeting.

Under the New York Stock Exchange rules, the proposal to approve the appointment of independent auditors is considered a “discretionary” item. This means that brokerage firms may vote in their discretion on this matter on behalf of clients who have not furnished voting instructions at least 10 days before the date of the meeting. In contrast, the election of directors and the vote to approve the Amended and Restated Employment Agreement with Mario J. Gabelli are “non-discretionary” items. This means brokerage firms that have not received voting instructions from their clients on these proposals may not vote on them. These so-called “broker non-votes” will be included in the calculation of the number of votes considered to be present at the meeting for purposes of determining a quorum, but will not be considered in determining the number of votes necessary for approval. Accordingly, broker non-votes will have no effect on the outcome of the vote for the election of directors or the vote to re-approve the Amended and Restated Employment Agreement with Mario J. Gabelli. Abstentions will be included in the calculation of the number of votes considered to be present at the meeting for purposes of determining a quorum, but will not be considered in determining the number of votes necessary for approval and therefore will have no effect on the outcome of the vote for the election of directors, the ratification of our independent registered public accounting firm or vote to re-approve the Amended and Restated Employment Agreement with Mario J. Gabelli.

We will pay for the costs of soliciting proxies and preparing the 2015 Annual Meeting materials. We ask securities brokers, custodians, nominees and fiduciaries to forward meeting materials to our beneficial shareholders as of the record date and we will reimburse them for the reasonable out-of-pocket expenses they incur. Our directors, officers and staff members may solicit proxies personally or by telephone, facsimile, e-mail or other means but will not receive additional compensation for doing so.

If you are the beneficial owner, but not the record holder, of shares of our Class A Stock, your broker, custodian or other nominee may only deliver one copy of this proxy statement and our 2014 Annual Report to multiple shareholders who share an address unless we have received contrary instructions from one or more of the shareholders. We will deliver promptly, upon written or oral request, a separate copy of this proxy statement and our 2014 Annual Report to a shareholder at a shared address to which a single copy of the documents was delivered. A shareholder who wishes to receive a separate copy of this proxy statement and 2014 Annual Report, now or in the future, or who wishes to receive directions to the 2015 Annual Meeting, should submit this request by writing to our Secretary at GAMCO Investors, Inc., One Corporate Center, Rye, NY 10580-1422 or by calling our Secretary at (914) 921-5000. Beneficial owners sharing an address who are receiving multiple copies of proxy materials and annual reports and who wish to receive a single copy of such materials in the future will need to contact their broker, custodian or other nominee to request that only a single copy of each document be mailed to all shareholders at the shared address in the future.

All shareholders and properly appointed proxy holders may attend the 2015 Annual Meeting. Shareholders who plan to attend must present valid photo identification. If you hold your shares in a brokerage account, please also bring proof of your share ownership, such as a broker's statement showing that you owned shares of the Company on the record date for the 2015 Annual Meeting or a legal proxy from your broker or nominee. A legal proxy is required if you hold your shares in a brokerage account and you plan to vote in person at the 2015 Annual Meeting. Shareholders of record will be verified against an official list available at the 2015 Annual Meeting. The Company reserves the right to deny admittance to anyone who cannot adequately show proof of share ownership as of the record date for the 2015 Annual Meeting.

The Board has selected each of Douglas R. Jamieson, Robert S. Zuccaro and Kevin Handwerker to act as proxies. When you sign and return your proxy card, you appoint each of Messrs. Jamieson, Zuccaro and Handwerker as your representatives at the 2015 Annual Meeting. Unless otherwise indicated on the proxy, all properly executed proxies received in time to be tabulated for the 2015 Annual Meeting will be voted "**FOR**" the election of the nominees named below, "**FOR**" the ratification of the appointment of the Company's independent registered public accounting firm, and "**FOR**" the vote to re-approve the Amended And Restated Employment Agreement with Mario J. Gabelli. You may revoke your proxy at any time before the 2015 Annual Meeting by delivering a letter of revocation to our Secretary at GAMCO Investors, Inc., One Corporate Center, Rye, NY 10580-1422, by properly submitting another proxy bearing a later date or by voting in person at the 2015 Annual Meeting. The last proxy you properly submit is the one that will be counted.

In the event that the shareholders do not approve the selection of Deloitte & Touche LLP, the Audit Committee will reconsider the selection of Deloitte & Touche LLP. Ultimately, however, the Audit Committee retains full discretion and will make all determinations with respect to the appointment of the independent auditors, whether or not the Company's shareholders ratify the appointment.

The Board recommends that shareholders vote **"FOR"** ratification of Deloitte & Touche LLP as the Company's independent registered public accountants for the year ended December 31, 2015.

Vote Required

Approval of Proposal 2 requires the affirmative vote of a majority of the votes cast on the proposal. Shareholders who return a signed proxy card but do not indicate how they wish to vote on Proposal 2 will be deemed to have voted FOR Proposal 2. Abstentions, if any, will have no effect on the outcome of this proposal.

PROPOSAL 3
RE-APPROVAL OF THE AMENDED AND RESTATED EMPLOYMENT AGREEMENT
WITH MARIO J. GABELLI

Shareholders are asked to re-approve the Amended and Restated Employment Agreement with Mr. Gabelli ("Amended Employment Agreement") that was entered into in February 2008. In November 30, 2007, our shareholders approved the Amended Employment Agreement by 99.9% of the votes cast or 210,128,528 votes, and most recently, the Amended Employment Agreement was re-approved by shareholders on May 6, 2011 by 99.5% of the votes cast or 200,887,209 votes. Of the votes cast on November 30, 2007 and May 6, 2011, in respect of shares not controlled by Mr. Gabelli, approximately 96% and 79%, respectively, voted "FOR" the approval of the Amended Employment Agreement. A copy of the Amended Employment Agreement is attached to this proxy statement as Exhibit B and incorporated herein. The summary below is qualified by reference to the Amended Employment Agreement.

Mr. Gabelli's Initial Employment Agreement

Prior to our initial public offering in February 1999, the Company entered into an Employment Agreement ("Initial Employment Agreement") with Mr. Gabelli relating to his service as Chairman of the Board, Chief Executive Officer and Chief Investment Officer of the Company, as well as an executive for certain subsidiaries and portfolio manager for certain mutual funds and separate accounts. Mr. Gabelli agreed that while he was employed by us, he would not provide investment management services outside of the Company, except for certain permitted accounts. The Initial Employment Agreement could not be amended without the approval of the Compensation Committee.

Pursuant to the Initial Employment Agreement, Mr. Gabelli received an incentive-based management fee in the amount of 10% of the Company's aggregate pre-tax profits, if any, as computed for financial reporting purposes in accordance with U.S. generally accepted accounting principles (before consideration of this fee) so long as he was an executive of the Company and devoted the substantial majority of his working time to our business. This incentive-based management fee was subject to the Compensation Committee's review at least annually for compliance with its terms.

Under the Initial Employment Agreement and consistent with the Company's practice since its inception in 1977, Mr. Gabelli also received a percentage of revenues or net operating contribution, which are substantially derived from assets under management, as compensation relating to or generated by the following activities: (i) managing or overseeing the management of various investment

companies and partnerships, (ii) attracting mutual fund shareholders, (iii) attracting and managing separate accounts and alternative investment funds, and (iv) or otherwise generating revenues for the Company. Such payments were made in a manner and at rates as agreed to from time to time by the Company, which rates have been and generally will be the same as those received by other professionals in the company performing similar services. With respect to our institutional and high net worth asset management, mutual fund advisory and brokerage business, we pay out up to 40% of the revenues or net operating contribution to the portfolio managers, brokers and marketing staff who introduce, service or generate such business, with payments involving the separate accounts being typically based on revenues and payments involving the mutual funds being typically based on net operating contribution.

Mr. Gabelli's Existing Employment Agreement

In 2007, the Company's Compensation Committee and Mr. Gabelli agreed to terms of the Amended Employment Agreement. Our shareholders approved the Amended Employment Agreement in November 2007 and Mr. Gabelli and the Company signed the Amended Employment Agreement in February 2008. The Amended Employment Agreement modified Mr. Gabelli's previous employment agreement primarily by (i) eliminating outdated provisions, clarifying certain language and reflecting our name change; (ii) revising the term of the Employment Agreement from an indefinite term to a three-year initial term that automatically extends the initial term for an additional year on each anniversary of the Employment Agreement's effective date unless either party gives written notice at least 90 days in advance of the expiration date; (iii) allowing for services to be performed for former subsidiaries that are spun off to shareholders or otherwise cease to be subsidiaries in similar transactions; (iv) allowing new investors in the permitted outside accounts if all of the performance fees, less expenses, generated by assets attributable to such investors are paid to us; (v) allowing for the management fee to be paid directly to Mr. Gabelli or to an entity designated by him; and (vi) adding certain language to ensure that the Amended Employment Agreement complies with Section 409A of the Internal Revenue Code. The other substantive provisions of the Initial Employment Agreement with Mr. Gabelli remained the same in the Amended Employment Agreement.

While the terms of the Amended Employment Agreement do not require shareholder re-approval, our Board believes that our shareholders should be offered the ability to vote on Mr. Gabelli's Amended Employment Agreement. In addition, shareholder approval of the Amended Employment Agreement could help ensure that certain variable compensation received thereunder would not be subject to the deduction limit under Section 162(m) of the Internal Revenue Code.

Recommendation

The Board recommends that shareholders vote "**FOR**" the re-approval of the Amended Employment Agreement with Mr. Gabelli. Mr. Gabelli, who controls approximately 95% of the combined voting power of the Company, intends to vote "FOR" the re-approval of the Amended Employment Agreement with Mr. Gabelli.

Required Vote

Approval requires the affirmative vote of a majority of the votes present and or represented by proxy and voting at the Annual Meeting. Abstentions and broker non-votes, if any, will have no effect on the outcome of this proposal.

CORPORATE GOVERNANCE

GAMCO continually strives to maintain the highest standards of ethical conduct: reporting results with accuracy and transparency and maintaining full compliance with the laws, rules and regulations that govern the Company's businesses. The Company is active in ensuring that its governance practices continue to serve the interests of its shareholders and remain at the leading edge of best practices.

Determination of Director Independence

The Board has established guidelines which it uses in determining director independence and that are based on the director independence standards of the New York Stock Exchange. A copy of these guidelines can be found as Exhibit A. These guidelines are also attached to the Board's Corporate Governance Guidelines, which are available at the following website: http://www.gabelli.com/corporate/corp_gov.html. A copy of these guidelines may also be obtained upon request from our Secretary.

In making its determination of independence with respect to Mr. Prather, the Board considered that the investment advisory subsidiaries of the Company collectively own on behalf of their investment advisory clients as of March 1, 2015 approximately 2.58% of the Company’s Class A Stock and 2.91% of the Common Stock of Gray Television, Inc. (“Gray”). This ownership represents approximately 2.73% of the total voting power of Gray. Mr. Prather served as President and Chief Operating Officer and a director of Gray until June of 2013. Furthermore, an investment advisory affiliate of the Company nominated Mr. Prather as a director of Gaylord Entertainment Company (“Gaylord”) in 2009, and Mr. Prather was elected as a director of Gaylord on May 7, 2009. Gaylord subsequently converted into a real estate investment trust named Ryman Hospitality Properties, Inc. (“Ryman”) in October 2012, and Mr. Prather remains on Ryman’s board of directors. The Company collectively owns on behalf of their investment advisory clients approximately 12.28% of Ryman’s Common Stock representing approximately 12.28% of the total voting power of Ryman as of March 1, 2015. In addition, an investment advisory affiliate of the Company nominated Mr. Prather as a director of Diebold in 2013, and Mr. Prather was elected as a director of Diebold on April 25, 2013. The Company collectively owns on behalf of their investment advisory clients approximately 9.91% of Diebold’s Common Stock representing approximately 9.91% of the total voting power of Diebold as of March 1, 2015. From time to time, investment advisory affiliates of the Company have nominated and may continue to nominate Mr. Prather to the Boards of public companies.

In making its determination of independence with respect to Mr. Bready, the Board considered that from time to time, investment advisory affiliates of the Company have nominated and may continue to nominate Mr. Bready to the boards of directors of public companies.

The Company’s affiliates may also nominate other directors to the Boards of companies that are beneficially owned on behalf of its clients. The Board further considered the difficulty the Company would encounter in attempting to unilaterally affect the management of Gray, Ryman or Diebold through the use of its voting power.

In making its determination of independence with respect to Mr. Avansino, the Board considered that he has a daughter who works for the Company in a non-executive role, as described under “Certain Relationships and Related Transactions”. In addition, the Board considered that he is the Chairman and the President of Miami Oil Producers, Inc. (“Miami Oil”), the landlord of a lease that was entered into in 1999 with the Company for office space in Nevada. The Company paid \$38,856, \$38,427, and \$38,880 in rent to Miami Oil in 2012, 2013 and 2014, respectively. Mr. Avansino is not a shareholder of Miami Oil.

With respect to these relationships, the Board considered Messrs. Avansino’s, Bready’s and Prather’s lack of economic dependence on the Company and other personal attributes that need to be possessed by independent-minded directors. Based on these guidelines and considerations, the Board concluded that the following directors were independent and determined that none of them had a material relationship with us which would impair his ability to act as an independent director: Messrs. Artzt, Avansino, Bready, McGrath and Prather.

The table below sets forth certain information regarding the nominees to the Board and Committees on which they serve.

The Board's Role in the Oversight of Risk

The Board's oversight of risk is administered directly through the Board, as a whole, or through its Committees. Various reports and presentations regarding risk management are presented to the Board including the procedures that the Company has adopted to identify and manage risk. Each of the Board's Committees addresses risks that fall within the Committee's area of responsibility. For example, the Audit Committee is responsible for "overseeing the quality and objectivity of GAMCO's financial statements and the independent audit thereof." The Audit Committee reserves time at each of its quarterly meetings to meet with the Company's independent registered public accounting firm outside of the presence of the Company's management. The Director of Internal Audit also is significantly involved in risk management evaluation and designs the Company's internal audit programs to take account of risk evaluation and work in conjunction with the Chief Financial Officer. The Director of Internal Audit reports directly to the Company's Audit Committee.

Relationship of Compensation and Risk

The Compensation Committee of the Board works with the Chief Executive Officer in reviewing the significant elements of the Company's compensation policies and programs for all staff. They evaluate the intended behaviors each program is designed to incentivize to ensure that such policies and programs are appropriate for the Company.

The Board and Committees

During 2014, there were five meetings of the Board. Our Board has an Audit Committee, a Compensation Committee, a Governance Committee and a Nominating Committee. We are deemed to be a "controlled company" as defined by the corporate governance standards of the New York Stock Exchange by virtue of the fact that GGCP holds more than 50% of the voting power of the Company. As a result, we are exempt from the corporate governance standards of the New York Stock Exchange requiring that a majority of the Board be independent and that all members of the Governance, Nominating and Compensation Committees be independent. While the Company is a controlled Company, the Board nevertheless is comprised of a majority of independent directors.

The Board believes that the most effective leadership structure is for the Company's Chief Executive Officer to serve as Chairman given that Mr. Gabelli is the controlling shareholder of the Company. By having Mr. Gabelli serve as the Chief Executive Officer and as Chairman, the Board believes that it enables Mr. Gabelli to ensure that the Board's agenda responds to strategic challenges, that the Board is presented with information required for it to fulfill its responsibilities, and that Board meetings are as productive and effective as possible.

Our non-management directors meet, without any management directors or employees present, immediately after our regular quarterly Board meetings. At least once each year, our independent directors meet in a separate executive session. Mr. Prather serves as lead independent director and chairs the meetings of our non-management and independent directors.

The Audit Committee regularly meets with our independent registered public accounting firm to ensure that satisfactory accounting procedures are being followed and that internal accounting controls are adequate, reviews fees charged by the independent registered public accounting firm and selects our independent registered public accounting firm. Messrs. Artzt, Avansino, Bready, McGrath and Prather, each of whom is an independent director as defined by the corporate governance standards of the New York Stock Exchange and the Company's guidelines as set forth in Exhibit A, are members of the Audit Committee. The Board has determined that Mr. Prather meets the standards of an "audit committee financial expert," as defined by the applicable securities regulations. The Audit Committee met six times during 2014. A copy of the Audit Committee's charter is posted on our website at http://www.gabelli.com/corporate/corp_gov.html. A shareholder may also obtain a copy of the charter upon request from our Secretary.

The Compensation Committee reviews the amounts paid to the Chief Executive Officer for compliance with the terms of his employment agreement and generally reviews benefits and compensation for the other executive officers. It also administers our Stock Award and Incentive Plan. Messrs. Bready and Prather, each of whom is an independent director, are the members of the Compensation Committee. The Compensation Committee does not have a formal policy regarding delegation of its authority. The Compensation Committee met five times during 2014. A copy of the Compensation Committee's charter is posted on our website at http://www.gabelli.com/corporate/corp_gov.html. A shareholder may also obtain a copy of the charter upon request from our Secretary.

The Governance Committee advises the Board on governance policies and procedures. Messrs. Avansino, Bready and McGrath, each of whom is an independent director, are the members of the Governance Committee. The Governance Committee held one

meeting during 2014. A copy of the Governance Committee's charter is posted on our website at http://www.gabelli.com/corporate/corp_gov.html. A shareholder may also obtain a copy of the charter upon request from our Secretary.

The Nominating Committee advises the Board on the selection and nomination of individuals to serve as directors of GAMCO. Nominations for director, including nominations for director submitted to the committee by shareholders, are evaluated according to our needs and the nominee's knowledge, experience and background. Mario Gabelli and Elisa Wilson are the members of the Nominating Committee. Neither Mr. Gabelli nor Ms. Wilson is an independent director as defined by the corporate governance standards of the Company. The Nominating Committee met once in 2014. A copy of the Nominating Committee's charter is posted on our website at http://www.gabelli.com/corporate/corp_gov.html. A shareholder may also obtain a copy of the charter upon request from our Secretary. The Nominating Committee has adopted the following policy regarding diversity: When identifying nominees as directors, the Committee will have a bias to have diverse representation of candidates who serve or have served as chief executive officers or presidents of public or private corporations or entities that are either for-profit or not-for-profit. In accordance with its charter, the Nominating Committee will review the suitability for continued service as a director of each Board member when his or her term expires and when he or she has a change in status, including but not limited to an employment change, and recommend whether or not the director should be re-nominated. The Nominating Committee will review annually with the Board the composition of the Board as a whole and recommend, if necessary, measures to be taken.

Consideration of Director Candidates Recommended by Shareholders

Except as set forth in the Company's Amended and Restated By-Laws, the Nominating Committee does not have a formal policy regarding the recommendation of director candidates by shareholders. The Board believes it is appropriate not to have such a policy because GGCP holds the majority of the voting power. Nevertheless, the Nominating Committee will consider appropriate candidates recommended by shareholders. Under the process described below, a shareholder wishing to submit such a recommendation should send a letter to our Secretary at One Corporate Center, Rye, NY 10580 for receipt between January 6, 2016 and February 5, 2016. The mailing envelope must contain a clear notation that the enclosed letter is a "Director Nominee Recommendation." The letter must identify the author as a shareholder and provide a brief summary of the candidate's qualifications and otherwise comply with the requirements of our Amended and Restated By-Laws. At a minimum, candidates recommended for election to the Board must meet the independence standards of the New York Stock Exchange as well as any criteria used by the Nominating Committee. The Nominating Committee will consider and evaluate candidates recommended by shareholders in the same manner as it considers candidates from other sources. Acceptance of a recommendation does not imply that the committee will ultimately nominate the recommended candidate.

Process for the Consideration of Director Candidates Nominated by Shareholders and of Business Proposed by Shareholders

GAMCO's Amended and Restated By-Laws set forth the processes and advance notice procedures that shareholders of GAMCO must follow, and specifies additional information that shareholders of GAMCO must provide, when proposing director nominations at any annual or special meeting of GAMCO's shareholders or other business to be considered at an annual meeting of shareholders. Generally, the By-Laws provide that advance notice of shareholder nominations or proposals of business be provided to GAMCO not less than ninety (90) days nor more than one hundred twenty (120) days prior to the anniversary date of the preceding annual meeting of shareholders. For the 2016 Annual Meeting, such notice of nomination or other business must be received at GAMCO's principal executive offices between January 6, 2016 and February 5, 2016.

Article III, Paragraph 6 of GAMCO's Amended and Restated By-Laws sets out the procedures a shareholder must follow in order to nominate a candidate for Board membership. For these requirements, please refer to the Amended and Restated By-Laws as of November 20, 2013, filed with the Securities and Exchange Commission on November 22, 2013, as Exhibit 3.2 to a Current Report on Form 8-K. The Amended and Restated By-Laws are also available in the "Investor Relations" section of the Company's website.

Director Attendance

During 2014, all of the directors attended at least 75% of the meetings of the Board and the Board committees of which he or she was a member. Other than Ms. Wilson, all of our Directors attended our 2014 annual meeting of shareholders. We do not have a policy regarding directors' attendance at our annual meetings.

Mr. Gabelli receives no compensation for serving as a director of the Company. Effective July 1, 2010, all non-executive directors other than Mr. Gabelli receive annual cash retainers and meeting fees as follows:

Communications with the Board

Our Board has established a process for shareholders and other interested parties to send communications to the Board. Shareholders or other interested parties who wish to communicate with the Board, the non-management or independent directors, or a

particular director may send a letter to our Secretary at GAMCO Investors, Inc., One Corporate Center, Rye, NY 10580-1422. The mailing envelope must contain a clear notation indicating that the enclosed letter is a “Board Communication” or “Director Communication.” All such letters must identify the author and clearly state whether the intended recipients are all members of the Board or just certain specified individual directors. The Secretary will make copies of all such letters and circulate them to the appropriate director or directors.

Code of Business Conduct

We have adopted a Code of Business Conduct (the “Code of Conduct”) that applies to all of our officers, directors and staff members with additional requirements for our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. The Code of Conduct is posted on our website at http://www.gabelli.com/corporate/corp_gov.html. Any shareholder may also obtain a copy of the Code of Conduct upon request. Shareholders may address a written request for a printed copy of the Code of Conduct to our Secretary at GAMCO Investors, Inc., One Corporate Center, Rye, New York 10580-1422. We intend to satisfy the disclosure requirement regarding any amendment to, or a waiver of, a provision of the Code of Conduct by posting such information on our website.

Transactions with Related Persons

Our Board has adopted written procedures governing the review, approval or ratification of any transactions with related persons required to be reported in this proxy statement. The procedures require that all related party transactions, other than certain pre-approved categories of transactions, be reviewed and approved by our Governance Committee or the Board. Under the procedures, directors may not participate in any discussion or approval by the Board of related party transactions in which they or a member of their immediate family is a related person, except that they shall provide information to the Board concerning the transaction. Only transactions that are found to be in the best interests of the Company will be approved.

Currently, we have a number of policies and procedures addressing conflicts of interest. Our Code of Conduct addresses the responsibilities of our officers, directors and staff to disclose conflicts of interest to our Legal/Compliance Department, which determines whether the matter constitutes a related party transaction that should be reviewed by our Governance Committee or Board. Generally, matters involving employer-employee relationships including compensation and benefits, ongoing arrangements that existed prior to our initial public offering and financial service relationships including investments in our funds are not presented for review, approval or ratification by our Governance Committee or Board.

Furthermore, our Amended and Restated Certificate of Incorporation provides that no contract, agreement, arrangement or transaction, or any amendment, modification or termination thereof, or any waiver of any right thereunder, (each, a “Transaction”) between GAMCO and:

- (i) Mario J. Gabelli, any member of his immediate family who is at the time an officer or director of GAMCO and any entity in which one or more of the foregoing beneficially own a controlling interest of the outstanding voting securities or comparable interests (each, a “Gabelli”),
- (ii) any customer or supplier,
- (iii) any entity in which a director of GAMCO has a financial interest (a “Related Entity”), or
- (iv) one or more of the directors or officers of GAMCO or any Related Entity;

will be voidable solely because any of the persons or entities listed in (i) through (iv) above are parties thereto, if the standard specified below is satisfied.

Further, no Transaction will be voidable solely because any such directors or officers are present at or participate in the meeting of the Board or committee thereof that authorizes the Transaction or because their votes are counted for such purpose, if the standard specified below is satisfied. That standard will be satisfied, and such Gabelli, the Related Entity, and the directors and officers of GAMCO or the Related Entity (as applicable) will be deemed to have acted reasonably and in good faith (to the extent such standard is applicable to such person’s conduct) and fully to have satisfied any duties of loyalty and fiduciary duties they may have to GAMCO and its shareholders with respect to such Transaction, if any of the following four requirements are met:

- (i) the material facts as to the relationship or interest and as to the Transaction are disclosed or known to the Board or the committee thereof that authorizes the Transaction, and the Board or such committee in good faith approves the

Transaction by the affirmative vote of a majority of the disinterested directors on the Board or such committee, even if the disinterested directors are less than a quorum;

- (ii) the material facts as to the relationship or interest and as to the Transaction are disclosed or known to the holders of Voting Stock entitled to vote thereon, and the Transaction is specifically approved by vote of the holders of a majority of the voting power of the then outstanding Voting Stock not owned by such Gabelli or such Related Entity, voting together as a single class;
- (iii) the Transaction is effected pursuant to guidelines that are in good faith approved by a majority of the disinterested directors on the Board or the applicable committee thereof or by vote of the holders of a majority of the then outstanding voting Stock not owned by such Gabelli or such Related Entity, voting together as a single class; or
- (iv) the Transaction is fair to GAMCO as of the time it is approved by the Board, a committee thereof or the shareholders of GAMCO.

Our Amended and Restated Certificate of Incorporation also provides that any such Transaction authorized, approved, or effected, and each of such guidelines so authorized or approved, as described in (i), (ii) or (iii) above, will be deemed to be entirely fair to GAMCO and its shareholders, except that, if such authorization or approval is not obtained, or such Transaction is not so effected, no presumption will arise that such Transaction or guideline is not fair to GAMCO and its shareholders. In addition, our Amended and Restated Certificate of Incorporation provides that a Gabelli will not be liable to GAMCO or its shareholders for breach of any fiduciary duty that a Gabelli may have as a shareholder of GAMCO by reason of the fact that a Gabelli takes any action in connection with any transaction between such Gabelli and GAMCO. For purposes of these provisions, interests in an entity that are not equity or ownership interests or that constitute less than 10% of the equity or ownership interests of such entity will not be considered to confer a financial interest on any person who beneficially owns such interests.

A description of certain related party transactions appears under the heading “Certain Relationships and Related Transactions” on pages 23-27 of this proxy statement.

Compensation Committee Interlocks and Insider Participation

COMPENSATION OF EXECUTIVE OFFICERS

COMPENSATION DISCUSSION AND ANALYSIS

The investment management and securities industries are highly competitive, and experienced professionals have significant career mobility. We believe that the ability to attract, retain and provide appropriate incentives for the highest quality professional personnel is important for maintaining our competitive position in the investment management and securities industries, as well as for providing for the long-term success of GAMCO.

Most of GAMCO's compensation expense is incentive-based variable compensation that will increase or decrease based on the revenues from our assets under management. Since 1977, we have generally paid out up to 40% of the revenues or net operating contribution to the marketing staff and portfolio managers who introduce, service or generate our separate account and mutual fund business, with payments involving the separate accounts being typically based on revenues, and payments involving the mutual funds being typically based on net operating contribution. We believe that the variable compensation formulas in place for our marketing staff and portfolio managers provide significant incentives for the growth of our business and a cushion during periods of market decline.

Our administrative, operations, legal and finance personnel generally receive the majority of their compensation in the form of base salaries and annual bonuses. We believe that GAMCO must pay competitive levels of cash compensation. We also believe that appropriate equity incentive programs may motivate and retain our professional personnel but that these programs must always be consistent with shareholder interests.

The Compensation Committee and the Board have continued to consider the results of the shareholders' non-binding vote in 2011 on our "say-on-pay" proposal. A substantial majority (over 99%) of the shares voted on our "say-on-pay" proposal approved the Company's executive compensation as described in our Compensation Discussion and Analysis and the accompanying tabular disclosures in the 2011 proxy statement. Because a majority of votes cast at the 2011 annual meeting of shareholders were in favor of having a "say-on-pay" vote every three years, the Board has adopted a triennial frequency policy. Therefore a "say-on-pay" vote was again held at the 2014 Annual Meeting of Shareholders. Once again a substantial majority (over 99%) of the shares voted on our "say-on-pay" proposal approved the Company's executive compensation as described in our Compensation Discussion and Analysis and the accompanying tabular disclosures in the 2014 proxy statement. As a result of this favorable vote, it was determined that no changes were necessary to our executive compensation program's design and administration. The Board believes that this continues to be the case.

Compensation of the Named Executive Officers

The compensation for our named executives (other than for Mr. Gabelli, whose compensation is described separately below under the section entitled "Chief Executive Officer Compensation") is composed of base salary, annual bonus compensation, equity compensation, incentive-based variable compensation and employee benefits.

- ***Base Salary***

Mr. Gabelli recommends to the Compensation Committee the amounts of the base salaries for our named executives, other than Mr. Gabelli himself, which amounts are subject to the Committee's review and approval, and are not at the discretion of the named executives. Mr. Gabelli received no base salary in 2014.

- ***Annual Bonus***

Mr. Gabelli recommends to the Compensation Committee the amounts of the annual bonuses for our named executives, other than Mr. Gabelli himself, which amounts are subject to the Committee's review and approval. The factors considered by Mr. Gabelli in making annual bonus recommendations are typically subjective, such as perceptions of the named executives' experience, performance and responsibilities. His recommendations may be but are not specifically tied to the performance of client assets, objectives set for each executive, the firm as a whole or the market value of our stock.

A portion of the annual bonuses for our named executives may be deferred for approximately 15 to 18 months. The terms of the deferrals are recommended by Mr. Gabelli to the Compensation Committee, which terms are subject to the Committee's review and approval, and are not at the discretion of the named executives. The deferrals typically earn a return equal to the greater of the return on our U.S. Treasury money market fund or the return of one of our investment partnerships after payment of the management fee but before payment of any incentive fee. In order to receive the deferred bonus payment, the named executive must be employed by the Company at the time of payment. There were no deferrals in 2014.

- ***Equity Compensation***

Our executive compensation program may also include stock option or restricted stock awards (sometimes referred to hereinafter as "RSAs"), which are intended to provide additional incentives to increase shareholder value as well as retain qualified individuals.

Mr. Gabelli makes recommendations to the Compensation Committee for the grant of stock awards to corporate team members. Individual stock option award levels in past years and individual restricted stock award levels in 2014 and in past years were based upon a subjective evaluation of each named executive's overall past and expected future contribution. No formula was used to determine the timing or amount of option awards and RSAs for any individual.

- ***Variable Compensation***

To the extent that they have the proper regulatory registrations, all of our staff, including the named executives, are eligible to receive incentive-based variable compensation for attracting or providing client service to separate accounts, shareholders of the Gabelli/GAMCO Funds or investors in our other products. Mr. Jamieson, who provides client service to a significant number of separate accounts, received the majority of his total 2014 compensation from variable compensation payments, as described below in note (d) to the Summary Compensation Table.

In the course of fulfilling Mr. Gabelli's duties, the Company at times brings on certain individuals to aid him. When this occurs, the Company offsets those costs by a reduction in compensation payable to Mr. Gabelli. In 2014, this amounted to \$4,220,000. Of this amount, \$350,000 was allocated to Mr. Jamieson for his service as President and Chief Operating Officer, \$300,000 was allocated to Mr. Zuccaro for his service as Executive Vice President and Chief Financial Officer, \$150,000 was allocated to Mr. Handwerker for his service as Executive Vice President General Counsel and Secretary, \$350,000 was allocated to Ms. Mullady for her service as Senior Vice President, \$150,000 was allocated to Mr. Alpert for his service as Senior Vice President, and \$25,000 was allocated to Mr. Van der Eb for his service as Senior Vice President.

Chief Executive Officer Compensation

Mr. Gabelli received no base salary, no bonus, no stock options and no restricted stock awards in 2014, as has been the case for each year since our initial public offering in 1999. All of the compensation paid to Mr. Gabelli in 2014 was incentive-based variable compensation that was paid in accordance with Mr. Gabelli's Amended Employment Agreement, which revised his 1999 employment agreement as described under the heading "Employment Agreements" below.

Compensation Consultants

The Company has not retained compensation consultants to assist in determining or recommending the amount or form of executive and director compensation during its last fiscal year.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee reviewed and discussed with management the Compensation Discussion and Analysis appearing above. Based on this review and discussion, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis section be included in this proxy statement, which section is also incorporated by reference in GAMCO's Annual Report on Form 10-K.

Employment Agreements. Mr. Gabelli is currently the only named executive who has an employment agreement with the Company.

Mario J. Gabelli. On February 6, 2008, Mr. Gabelli entered into the Amended Employment Agreement with the Company, which was approved by the Company's shareholders on November 30, 2007 and which limits his activities outside of the Company. The Amended Employment Agreement has a three-year initial term with an automatic extension for an additional year on each anniversary of its effective date unless either party gives written notice of termination at least 90 days in advance of the expiration date. The Amended Employment Agreement allows Mr. Gabelli to perform investment management services for former subsidiaries that are spun off to shareholders or otherwise cease to be subsidiaries in similar transactions and permits new investors in the outside accounts if all of the performance fees, less expenses, generated by assets attributable to such investors are paid to the Company. The Amended Employment Agreement was last submitted to, and re-approved by, the Company's shareholders at the Annual Meeting of Shareholders held on May 6, 2011.

Mr. Gabelli (or, at his option, his designee) receives an incentive-based management fee in the amount of 10% of our aggregate annual pre-tax profits, if any, as computed for financial reporting purposes in accordance with U.S. generally accepted accounting principles (before consideration of this fee) so long as he is an executive of the Company and devotes the substantial majority of his working time to our business. This incentive-based management fee is subject to the Compensation Committee's review at least annually for compliance with the terms of the Amended Employment Agreement. The Amended Employment Agreement may not be amended without the approval of the Compensation Committee and Mr. Gabelli.

In accordance with the Amended Employment Agreement, Mr. Gabelli chose to allocate \$4,220,000, \$2,320,000, and \$710,000 of his management fee to certain other professional staff members of the Company in 2014, 2013 and 2012, respectively. He also elected to waive receipt of \$7,352 and \$1,380,231 of his management fee in 2014 and 2013, respectively, and to waive receipt of \$2,500,000 of his portfolio manager and other variable remuneration in 2012. Mr. Gabelli earned (after allocations and waiver) the following incentive-based management fees during the past five years:

| | <u>2010</u> | <u>2011</u> | <u>2012</u> | <u>2013</u> | <u>2014</u> |
|---------------------------------------|-------------|-------------|-------------|-------------|-------------|
| Management Fee (\$ in millions) | 9.6 | 9.4 | 12.3 | 16.5 | 14.4 |

Consistent with the Company's practice since its inception in 1977, Mr. Gabelli will also continue receiving a percentage of revenues or net operating contribution, which are substantially derived from assets under management, as compensation relating to or generated by the following activities: (i) managing or overseeing the management of various investment companies and partnerships, (ii) attracting mutual fund shareholders, (iii) attracting and managing separate accounts and alternative funds, and (iv) otherwise generating revenues for the Company. Such payments are made in a manner and at rates as agreed to from time to time by GAMCO, which rates have been and generally will be the same as those received by other professionals at GAMCO performing similar services. With respect to our institutional and high net worth asset management and mutual fund advisory business, we pay out up to 40% of the revenues or net operating contribution to the portfolio managers and marketing staff who introduce, service or generate such business, with (i) payments involving the separate accounts being typically based on revenues and (ii) payments involving the mutual funds being typically based on net operating contribution.

In accordance with the terms of his Amended Employment Agreement, Mr. Gabelli has agreed that while he is employed by us he will not provide investment management services outside of GAMCO, except for certain permitted accounts or except for services to be performed for former subsidiaries that are spun off from the Company such as Teton. During 2014, Mr. Gabelli served as a portfolio manager for Teton and as a portfolio manager for various privately offered funds.

Mr. Gabelli serves as the Chief Executive Officer, a director and is the controlling shareholder of GGCP. Various family members of Mr. Gabelli are shareholders of GGCP including Mr. Marc Gabelli and Ms. Wilson.

For 2014, the Company incurred variable costs of \$457,842 for actual usage (but not the fixed costs) relating to our use of aircraft in which GGCP owns the fractional interests.

We lease an approximately 60,000 square foot building located at 401 Theodore Fremd Avenue, Rye, New York as our headquarters (the “Building”) from M⁴E, an entity that is owned by family members of Mr. Gabelli, including Mr. Marc Gabelli and Ms. Wilson. Under the lease for the Building, which was extended for an additional five year term on June 11, 2013 with no change to the base rental of \$18 per square foot and now expires on December 31, 2028, we are responsible for all operating expenses, costs of electricity and other utilities and taxes. For the period January 1, 2014 through December 31, 2014, the rent was \$1,174,571, or \$19.58 per square foot. As members of M⁴E, Mr. Marc Gabelli and Ms. Wilson each are entitled to receive their pro-rata share of payments received by M⁴E under the lease.

We sublease approximately 3,300 square feet in the Building to LICT, a company for which Mr. Gabelli serves as Chairman and CEO and is deemed to be the controlling shareholder. LICT pays rent to us at the rate of \$28 per square foot plus \$3 per square foot for electricity, subject to adjustment for increases in taxes and other operating expenses. The total amount paid to us in 2014 for rent and other expenses under this lease was \$117,640. This sublease expires on December 5, 2023.

We also sublease approximately 1,600 square feet in the Building to Teton. Teton pays rent to us at the rate of \$37.75 per square foot plus \$3 per square foot for electricity, subject to adjustment for increases in taxes and other operating expenses. The total amounts paid in 2014 to us for rent and other expenses under this lease were \$68,697.

We lease approximately 1,599 square feet of office space in Reno, Nevada from Miami Oil Producers, Inc., for which Mr. Avansino serves as the Chairman and President. We pay a base rent of \$3,118 per month plus the cost of parking and subject to adjustment annually for changes in the CPI. We entered into the current lease on January 1, 2011 with a 3 year term and thereafter subject to an option to extend the term for a year at a time. We extended the term by one year on January 1, 2014 with it remaining subject to an option to extend the term for one year at a time. For the period January 1, 2014 through December 31, 2014, the rent was \$38,880, or \$24.32 per square foot. In 2009, GAMCO entered into a sublease of a portion of this office space in Reno, Nevada to CIBL, Inc. (“CIBL”). Mr. Gabelli is a director of CIBL and its largest shareholder. Under the terms of the Reno sublease, the Company granted CIBL the right to use such part of GAMCO’s Reno office as the Company and CIBL shall from time to time agree. Since August 1, 2010, the space has been subleased on a month-to-month basis. For 2014, the rent for the Reno sublease was \$6,000.

In addition to the sublease of space in the Building, we entered into a number of agreements in connection with the Company’s distribution of the shares of Class A and B Common Stock in Teton. These agreements are as follows: a Separation and Distribution Agreement, an Administrative and Management Services Agreement (“Administrative Agreement”) and Service Mark and Name License Agreement (the “License Agreement”). Effective January 1, 2011, the Administrative Agreement was amended to be based on a tiered formula as opposed to a fixed rate. Under the amended agreement, the Company is compensated by Teton 20 basis points annually on the first \$370 million of average assets under management (“AUM”) in the Teton funds, 12 basis points annually on the next \$630 million of average AUM in the Teton funds, and 10 basis points annually of average AUM in the Teton funds in excess of \$1 billion. The License Agreement provides Teton and the funds that it manages the use of certain names and service marks. Effective April 1, 2014, the Administrative Agreement was further amended to increase the fixed monthly component of it from \$15,000 per month to \$25,000 per month. Pursuant to the Administrative Agreement and the License Agreement, the Company was compensated in 2014 by Teton in the amount of \$15,000 per month for three months and \$25,000 per month for nine months, or \$270,000 for the full year, plus an average of 13.2 basis points of the average AUM in the Teton funds (pursuant to the tiered formula) for providing mutual fund administration services to these funds, or \$2,032,807 for 2014. We sublease space in the Building to Teton as discussed above. G.distributors, LLC (“G.distributors”), an affiliated broker-dealer of the Company, served as distributor to the seven mutual funds that are managed by Teton during 2014. REPORT OF THE AUDIT COMMITTEE

Messrs. Artzt, Avansino, Bready, McGrath and Prather, each of whom is an independent director, are the members of the Audit Committee. In this report, the term "we" refers to the members of the Audit Committee.

The Board has adopted a written charter for the Audit Committee. A copy of that charter can be found on our website at http://www.gabelli.com/corporate/corp_gov.html. Our job is one of oversight as set forth in our charter. The Company's management is responsible for preparing its financial statements and for maintaining internal controls. The independent registered public accounting firm is responsible for auditing the financial statements and expressing an opinion as to whether those audited financial statements fairly represent the financial position, results of operations and cash flows of the Company in conformity with U.S. generally accepted accounting principles.

We have reviewed and discussed the Company's audited 2014 financial statements with management and with Deloitte & Touche LLP ("D&T"), the Company's independent registered public accounting firm.

We have discussed with D&T the matters required to be discussed by Statement on Auditing Standard No. 16, "Communications with Audit Committees," issued by the Public Company Accounting Oversight Board (the "PCAOB").

We have received from D&T the written statements required by the PCAOB regarding the independent accountant's communications with the audit committee concerning independence and have discussed with the independent accountant the independent accountant's independence.

Based on the review and discussions referred to above, we have recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2014 for filing with the Securities and Exchange Commission.

In deciding to engage D&T, the Audit Committee reviewed auditor independence and existing commercial relationships with D&T and concluded that D&T has no commercial relationship with the Company that would impair its independence. During the fiscal year ended December 31, 2014 and in the subsequent interim period through March 31, 2015, neither the Company nor anyone acting on its behalf has consulted with D&T on any of the matters or events set forth in Item 304(a)(2) of Regulation S-K.

A representative of D&T will be present at the 2015 Annual Meeting. The representative will have the opportunity to make a statement and respond to appropriate questions from shareholders.

EXHIBIT A

GUIDELINES FOR DIRECTOR INDEPENDENCE

For a director to be deemed “independent,” the Board shall affirmatively determine that the director has no material relationship with GAMCO Investors, Inc. (together with its consolidated subsidiaries, “GAMCO”) or its affiliates or any member of the senior management of GAMCO or his or her affiliates. This determination shall be disclosed in the proxy statement for each annual meeting of GAMCO’s shareholders. In making this determination, the Board shall apply the following standards:

- A director who is an employee, or whose immediate family member is an executive officer, of GAMCO will not be deemed independent until three years after the end of such employment relationship. Employment as an interim Chairman or Chief Executive Officer will not disqualify a director from being considered independent following that employment.
- A director who received, or whose immediate family member received in any twelve month period over the last three years more than \$120,000 in direct compensation from GAMCO will not be deemed independent. In calculating such compensation, the following will be excluded:
 - director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);
 - compensation received by a director for former service as an interim Chairman or Chief Executive Officer; and
 - compensation received by an immediate family member for service as a non-executive officer employee of GAMCO.
- A director will not be considered independent if:
 - the director is a current partner or employee of a firm that is GAMCO’s internal or external auditor;
 - the director has an immediate family member who is a current partner of GAMCO’s internal or external auditor;
 - the director has an immediate family member who is a current employee of GAMCO’s internal or external auditor and personally works on GAMCO’s audit; or
 - the director or an immediate family member was within in the last three years a partner or employee of GAMCO’s internal or external auditor and personally worked on GAMCO’s audit within that time.
- A director who is, or whose immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of GAMCO’s current executive officers serve on that company’s compensation committee will not be deemed independent.
- A director who is, a current employee, or whose immediate family member is an executive officer, of an entity that makes payments to, or receives payments from, GAMCO for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of such other entity’s consolidated gross revenues, will not be deemed independent.
- A director who serves as an executive officer of a tax-exempt entity that receives significant contributions (i.e., more than 2% of the annual contributions received by the entity or more than \$1 million in a single fiscal year, whichever amount is greater) from GAMCO, any of its affiliates, any executive officer or any affiliate of an executive officer within the preceding twelve-month period may not be deemed independent, unless the contribution was approved by the Board and disclosed in GAMCO’s proxy statement.

For purposes of these Guidelines, the terms:

- “affiliate” means any consolidated subsidiary of GAMCO and any other company or entity that controls, is controlled by or is under common control with GAMCO, as evidenced by the power to elect a majority of the board of directors or comparable governing body of such entity; and
- “immediate family” means spouse, parents, children, siblings, mothers- and fathers-in-law, sons- and daughters-in-law, brothers- and sisters-in-law and anyone (other than domestic employees) sharing a person’s home, but excluding any person who is no longer an immediate family member as a result of legal separation or divorce, or death or incapacitation.

The Board shall undertake an annual review of the independence of all non-employee directors. In advance of the meeting at which this review occurs, each non-employee director shall be asked to provide the Board with full information regarding the director’s business and other relationships with GAMCO and its affiliates and with senior management and their affiliates to enable the Board to evaluate the director’s independence.

Directors have an affirmative obligation to inform the Board of any material changes in their circumstances or relationships that may impact their designation by the Board as “independent.” This obligation includes all business relationships between, on the one hand, directors or members of their immediate family, and, on the other hand, GAMCO and its affiliates or members of senior management and their affiliates, whether or not such business relationships are subject to the approval requirement set forth in the following provision.

EXHIBIT B
EMPLOYMENT AGREEMENT

AGREEMENT made this 6th day of February, 2008 (the "Effective Date") by and between GAMCO Investors, Inc. (the "Company"), a New York corporation, and Mario J. Gabelli (the "Executive").

WHEREAS, the Executive has served as an executive of the Company since the inception of the Company and its predecessors in 1976.

WHEREAS, the Executive's skills, position, knowledge and expertise in the management of portfolios such as those managed by the Company are unique.

WHEREAS, the Company is dependent upon the efforts of the Executive, in the capacities described herein in which he serves, and as the primary portfolio manager for a significant majority of the Company's assets under management.

WHEREAS, the loss of the Executive's services would have a material adverse effect on the Company.

WHEREAS, since the inception of the Company and its predecessors in 1976, up until the Company's initial public offering in February 1999 ("IPO"), the Executive received an incentive-based management fee of twenty percent (20%) of the pre-tax profits, if any, as computed for financial reporting purposes in accordance with generally accepted accounting principles as applied by the Company and its subsidiaries and consolidated affiliates for financial reporting purposes (together, "Subsidiaries") from time to time, for each fiscal year of each of the operating divisions of the Company and each of its Subsidiaries before consideration of this fee, less applicable payroll and tax deductions, accrued monthly and payable at least annually.

WHEREAS, the Company and the Executive entered into an Employment Agreement dated February 9, 1999, in connection with the Company's IPO, which Employment Agreement, among other things, reduced the Executive's incentive-based management fee to ten percent (10%) of the Company's pre-tax profits, if any, as computed for financial reporting purposes in accordance with generally accepted accounting principles as applied by the Company and its Subsidiaries from time to time, for each fiscal year of each of the operating divisions of the Company and its Subsidiaries before consideration of this fee, less applicable payroll and tax deductions, accrued monthly and payable at least annually.

WHEREAS, the Company and the Executive desire to amend and restate the Employment Agreement entered into in 1999 to eliminate outdated provisions, allow for services to be performed for former Subsidiaries that are spun off to shareholders or otherwise cease to be Subsidiaries in similar transactions, allow for the management fee to be paid to the Executive or an entity designated by him, and reflect the Company's name change, among other things.

WHEREAS, the Compensation Committee of the Board of Directors of the Company has reviewed and approved this amended and restated Employment Agreement and believes it to be in the best interests of the Company.

WHEREAS, the Company desires that the Executive or his designee continue to receive a management fee to provide an incentive for the achievement of the Company's performance goals and the enhancement of shareholder value.

NOW THEREFORE, in consideration of the foregoing and of the mutual promises hereinafter set forth, the parties hereto agree as follows:

1. **Employment.**

The Company hires and employs the Executive, and the Executive agrees to work for the Company, under the terms and conditions set forth herein.

2. **Duties.**

The Executive shall serve as Chairman of the Board, Chief Executive Officer and Chief Investment Officer of the Company, as an executive in various capacities for certain of the Company's Subsidiaries as determined by the Executive, and as Portfolio Manager for certain investment companies and separate accounts managed by the Company and its Subsidiaries as determined by the Executive. The Executive or the Company may at any time limit or terminate the Executive's service in one or more of the capacities referred to above.

3. **Term.**

The Term of this Agreement shall commence on the Effective Date and continue through the third anniversary of the Effective Date (the "Expiration Date"). On each anniversary of the Effective Date commencing on the first anniversary (each, an "Anniversary Date"), this Agreement shall automatically be renewed and the Term extended for an additional one (1) year period, unless such renewal is objected to by either the Company or by the Executive on written notice delivered to the other not less than ninety (90) days prior to an Anniversary Date. The last day of each such extension shall become the new Expiration Date.

4. **Fees from Revenue Generating Activities (Revenue Fees).**

For managing or overseeing the management of investment companies or partnerships, attracting mutual fund accounts or partnership investments, attracting or managing separate accounts, providing investment banking services or otherwise generating revenues for the Company or its Subsidiaries, the Executive will be paid a percentage of the revenues or net operating contribution related to or generated by such business activities, in a manner and at payment rates as agreed to from time to time by the Executive and the Company or the affected Subsidiaries, which rates have been and generally will be the same as those received by other professionals in the Company or the affected Subsidiaries performing similar services. The Executive shall be entitled to receive such payments within seventy-five (75) days of the date the Company actually receives the funds related to the business activities from which the Executive will receive payment. Unless and until the Company receives such funds, the Executive shall not be entitled to receive payment.

5. **Incentive-Based Management Fee (The Management Fee).**

The Executive or an entity designated by him will be entitled to receive an incentive-based management fee in the amount of ten percent (10%) of the aggregate annual pre-tax profits, if any, as computed for financial reporting purposes in accordance with generally accepted accounting principles as applied by the Company and its Subsidiaries from time to time, of the Company and each of its Subsidiaries before consideration of this fee, less applicable payroll and tax deductions, accrued monthly and payable at least annually (the "Management Fee") but in no event later than March 15 of the year following the year with respect to which the Management Fee is being paid. A committee or subcommittee (comprised solely of independent directors) of the Board of Directors of the Company will review at least annually all Management Fee payments for compliance with the terms hereof. In the event that the Executive is no longer an executive of the Company or is no longer devoting the substantial majority of his working time to the business of the Company and its Subsidiaries, the Executive's right to accrue any additional Management Fee payments will terminate. The Management Fee is separate and distinct from the Executive's revenue fees pursuant to Paragraph 4 above.

6. **Extent of Service-Restrictive Covenant.**

During the term of this Agreement, the Executive shall not provide investment management services for compensation other than in his capacity as an officer or employee of the Company or its Subsidiaries, except to (a) the funds in existence on February 10, 1999 (the "IPO Date") (which serve no investors other than those in the funds as of the IPO Date, their successors, heirs, donees or immediate family, or new investors pursuant to the next sentence) and accounts managed by the Executive outside the Company under performance fee arrangements as of the IPO Date or pursuant to the next sentence, and (b) successor funds and accounts ("New Outside Accounts") which funds serve no investors other than those in the funds referred to in clause (a) or their successors, heirs, donees or immediate family and which accounts are for no investors other than those having an interest in the

accounts referred to in clause (a) or their successors, heirs, donees or immediate family, which funds and accounts operate according to an investment style similar to such other funds or accounts, which style was not used at the Company as of the IPO Date, and which are subject to performance fee arrangements (collectively, “Permissible Accounts”). The Permissible Accounts may include new investors if all of the performance fees, less expenses, earned on assets attributable to those investors are paid to the Company or its Subsidiaries. If any Subsidiaries of the Company are spun off from the Company or otherwise cease to be Subsidiaries in similar transactions, the Executive may continue providing investment management services for compensation to such entities. Prior to providing investment management services for compensation to any New Outside Accounts during the term hereof, the Executive agrees to have a committee or subcommittee (comprised solely of independent directors) of the Board of Directors of the Company review any proposed New Outside Accounts for compliance with the terms hereof and accept the determination of such committee or subcommittee as final. The Company understands that the Executive intends to serve as a director, Chief Executive Officer and Chief Investment Officer of GGCP, Inc. and its affiliates and be compensated for such service, and the Company agrees that such service and compensation is permissible under this Agreement.

7. **Benefits.**

The Executive shall be entitled to participate in all group health and insurance programs and all other fringe benefit or retirement plans which the Company may, in its sole and absolute discretion, elect to make available to its senior executives generally, provided that the Executive meets the qualifications therefor.

8. **Reimbursement of Expenses.**

The Company shall reimburse the Executive for all reasonable and legitimate business expenses incurred after the date of employment by the Executive while conducting business, provided that the Executive submits vouchers for such expenses in a manner and form prescribed from time to time by the Company, except that up to \$50,000 per year of such expenses may be non-accountable.

9. **Section 409A Compliance.**

This Agreement is intended to comply with Section 409A of the Internal Revenue Code of 1986, as amended, so as to avoid the imposition of any tax pursuant to Section 409A, and, in the case of any ambiguity, shall be interpreted accordingly. In the event that the Company or the Executive subsequently determine that the provisions of this Agreement would subject the Executive to tax under Section 409A, Company and the Executive shall negotiate in good faith to revise the Agreement so as to prevent the imposition of such tax, if possible, while preserving the original intent of the Agreement.

10. **Assignability Clause.**

This Agreement is binding upon the Company, the Executive and their respective successors and assigns. The rights and obligations set forth under this Agreement may be assigned by the Company or by the Executive to a successor or to an assign, except the Executive acknowledges that the duties set forth in Paragraph 2 of this Agreement are personal to him.

11. **Governing Law.**

This Agreement shall be governed by the law of the State of New York, without giving effect to the principles of conflicts of laws thereof. The Executive and the Company agree that any claim arising hereunder shall be brought before the state or federal courts sitting in New York, New York, and the Executive and the Company each consent to jurisdiction and venue in New York, New York, as being proper and appropriate for the resolution of any such claim.

12. **Entire Agreement; Modification.**

This Agreement supersedes all prior and contemporaneous agreements, understandings, negotiations and discussions, written or oral, of the parties hereto, relating to the matters covered by this Agreement. This Agreement may not be modified or amended except by a further written instrument duly executed by the Executive and the Company with the approval of a committee or subcommittee (comprised solely of independent directors) of the Board of Directors of the Company.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement on the date first written above.
